Handbook Purpose

This Employee Handbook (the “Handbook”) is presented as a matter of information and has been prepared to inform you about the Institution’s philosophy, employment practices, policies, benefits provided to you as a valued employee, as well as the conduct expected from you. While this Handbook is not intended to be a book of rules and regulations, it does include some important guidelines about which you should know.

No one other than authorized management may alter or modify any of the policies in this Handbook. No statement or promise by a supervisor, manager, or department head is to be interpreted as a change in policy, nor will it constitute an agreement with an employee. Except for the at-will employment provisions, the Handbook can be amended at any time. Should any provision in this Handbook be found to be unenforceable and invalid, such finding does not invalidate the entire Handbook, but only the subject provision.

We ask that you read this guide carefully, become familiar with the Institution and our policies, and refer to it whenever questions arise. This Handbook will not answer every question

you may have, nor would we want to restrict the normal question and answer interchange among us. It is in our person to person conversations that we can better know each other, express our views, and work together in a harmonious relationship.

CONDUCT AND BEHAVIOR

Disciplinary Procedure

Occasionally, an employee does not meet the standards and expectations of The Institution. When this occurs, The Institution will adhere to the Upper Kutz Barber & Style College Fair and Equal Treatment Policy. In some cases, any or all of these discretionary disciplinary steps may be eliminated by The Institution and The Institution may choose to immediately discharge the employee. No contract of employment is intended or implied by this policy or this Handbook.

Generally, disciplinary action may be taken for infringement of The Institution's guidelines, rules, regulations or policies or for failure to follow proper work procedures and

reasonable work habits. Some situations may warrant immediate dismissal. The Institution is free to terminate employment at any time for any reason, with or without notice.

Verbal Warning

The employee's supervisor may inform the employee when he or she is not meeting the requirements and provide counseling intended to assist the employee to overcome the deficiency. This conversation will include a discussion of expectations and time frame for meeting them.

Written Warning

A written warning may be given to the employee by the employee's supervisor, if the situation is sufficiently serious or the problem is not resolved after the initial verbal warning or if a new problem occurs. The written warning includes a description of the problem, the improvement expected and the time frame for achieving resolution. Performance Improvement Plan (PIP)

If a problem continues or recurs or is sufficiently serious, the employee may be placed on formal Performance Improvement Plan (PIP) and/or suspension. The length of the PIP and/or suspension typically will not exceed 90 days. The employee will be required to sign the PIP and/or suspension advice to acknowledge receipt, not agreement. The employee may submit a written response to the PIP advice. Refusal to sign will be noted. A PIP can be implemented at any time for general areas of growth, and do not require the completion of disciplinary steps as listed above.

Restrictions

While on written warning, a PIP or suspension, the employee is not considered in good standing and cannot apply for transfer, promotion, and salary/rate increases may be deferred or denied. Upper Kutz Barber & Style College also reserves the right to take other actions appropriate to the circumstances. Additionally, the employee cannot be granted a voluntary leave of absence, unpaid personal/sick days, except under applicable federal and state laws.

Dismissal

Without altering the employee's status as an at-will employee, if the problem does not improve to an acceptable level within the time frame stipulated or if a new problem occurs during the written warning, PIP and/or suspension period, the employee's employment may be terminated.

However, this general rule is not intended to hinder or in any way curtail the

rights of free speech or free expression of ideas. Therefore, such activity by employees during non-working time, including meal and rest periods, if applicable, is not restricted so long as such activity does not interfere with the orderly and regular conduct of The Institution business, is lawful, in good taste, conducted in an orderly manner, and does not create safety hazards or violate general good housekeeping practices. Any person who is not an employee of The Institution is prohibited from any and all forms of solicitation, collecting money, vending, and posting or distributing bills or pamphlets on Institution property at all times.

- (25) Inappropriate attire or offensive attire. See Dress Code Policy.

Absenteeism and Tardiness

It is important for each employee to report to work on time and to maintain a good attendance record. The Institution recognizes that circumstances beyond your control may cause you to be absent from work for all or part of a day. However, unauthorized absence or tardiness may result in disciplinary action in accordance with the Upper Kutz Barber & Style College attendance and lateness policy.

You are expected to report to work when scheduled. If you are unable to report to work, contact your supervisor immediately. Leaving a message with another staff member or on voicemail does not constitute an accepted notification of absence.

Employees that are repeatedly tardy and/or absent for reasons other than military duty, jury duty or approved leaves of absence will be subject to disciplinary action, up to and including termination.

Call In Procedure

If an employee finds it necessary to be absent from work, the employee must first call his or her direct supervisor within 30 minutes prior to his or her scheduled start time to explain the reason for the absence and its duration. If the employee is unable to notify his/her supervisor directly, the employee should have his/her emergency contact relay the message to the employee's supervisor. Under no circumstances will notification of an employee's absence to his/her fellow employee constitute appropriate notice under this policy. If the employee is or will be absent a second day, the procedure must be repeated. Failure to call on any day will classify an employee's absence as unexcused and subject to disciplinary action. If your supervisor is unavailable to receive your call, you must contact an administrative personnel team member to communicate your message to your supervisor's manager.

Failure to report to work as scheduled without notifying your direct supervisor and receiving permission for two (2) consecutive days will result in disciplinary action, up to and including termination.

Anti-Harassment

The Institution affirms its commitment to provide a work environment free from intimidation and harassment. Abuse of the dignity of anyone through ethnic, racist or sexist slurs or through other derogatory or objectionable conduct is offensive employee behavior. If you harass another employee of The Institution or applicant to The Institution because of race, religion, creed, color, national origin, ancestry, physical or mental disability, medical condition, marital status, sex, age, or any other protected classification, in accordance with applicable federal, state, and local laws, you will be subject to disciplinary action, including discharge. Likewise, if you feel you have been the object of harassment or intimidation based upon the aforementioned, you are to advise your direct supervisor, follow the normal open-door policy or, in the event of sexual harassment, institution the procedure indicated below.

Sexual Harassment

The Institution is committed to maintaining a working and learning environment which provides for consistent and equitable treatment, including freedom from sexual harassment. This policy covers anyone who engages in sexual harassment on institution property or at institution activities.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal and/or physical conduct of a sexual nature, when:

- Submission to the conduct or communication is either explicitly or implicitly made a term or condition of an individual's employment, work opportunity, education, or other benefit;
- Submission to or rejection of the conduct or communication is used as a factor for employment decisions or other institution-related decisions affecting an individual; and/or
- Such conduct or communication has the purpose or effect of substantially interfering with an individual's work or institution performance or creates an intimidating, hostile or offensive work or institution environment.

Sexual harassment can occur between staff to student, student to staff, student to student, staff to staff, female to male, male to female, female to female, and male to male.

Administration will take prompt, equitable, and remedial action on reports and complaints that come to the attention of institution personnel, either formally or informally. Allegations of criminal misconduct will be reported to the appropriate law enforcement agency.

Sexual harassment may include, but is not limited to:

- Verbal harassment or abuse of a sexual nature
- Subtle pressure for sexual activity
- Inappropriate or unwelcome touching, patting, or pinching of a sexual nature

- Intentional brushing against a student's or an employee's body
- Demanding sexual favors accompanied by implied or overt threats concerning an individual's employment or educational status
- Demanding sexual favors accompanied by implied or overt promises of preferential treatment with regards to an individual's employment or educational status
- Use of sexually or gender degrading words or comments, verbal or written (ex., graffiti)
- Display in the institution, on institution grounds, or at institution-sponsored events of sexually suggestive pictures
- Leering of a sexual nature
- Spreading of sexual rumors

Engaging in sexual harassment will result in appropriate discipline or other appropriate sanctions against offending students, staff, or contractors. Anyone else engaging in sexual harassment on institution property or at institution activities will have access to institution property and activities restricted or revoked, as appropriate.

The institution shall respect the confidentiality of the complainant and the individual(s) against whom the complaint is filed as much as possible, consistent with the institution's legal obligations and the necessity to investigate the allegations, and to take disciplinary action when the conduct has occurred.

Retaliation is prohibited against any person who makes a complaint, participates in an investigation of harassment or is a witness under this policy and will result in appropriate disciplinary action against the person responsible for the retaliation. Individuals who knowingly report false allegations of sexual harassment or corroborate false allegations will be subject to appropriate disciplinary action.

Each staff member is responsible for reporting alleged discrimination and/or harassment to his/her supervisor or other appropriate institution personnel immediately.

Complaint Procedure

The Institution subscribes to an open-door policy. You may bring a particular complaint to your direct supervisor for resolution. When matters cannot be handled on an informal basis, The Institution has established a formal procedure for a fair review of any work-related controversy, dispute or misunderstanding. A complaint may be brought by one or more employees concerning any work-related problem where the complaint has not been satisfactorily resolved in an informal manner. The employee may escalate the matter to the School's President. If no resolution is reached, the employee can further escalate the matter to the School's Executive President.

Corrective Action

A high level of job performance is expected of you. In the event that your job performance does not meet the standards established for your position, you should seek assistance from your direct supervisor to attain an acceptable level of performance. If you violate established Institution procedures, guidelines, or exhibit behavior that violates commonly accepted standards of honesty and integrity or creates an appearance of impropriety, The Institution may elect to administer disciplinary action in accordance to the Fair and Equal Treatment Policy. If you fail to respond to or fail to make positive efforts toward improvement, corrective action may ensue, including termination of employment.

It is the policy of The Institution to regard discipline as an instrument for developing total job performance rather than as punishment. Corrective action is one tool The Institution may select to enhance job performance. The Institution is not required to take any corrective action before making an adverse employment decision, including discharge. Corrective action may be in the form of a verbal warning, written warning, suspension with pay, suspension without pay and termination. The Institution reserves the right to skip, advance or repeat any level of discipline it deems appropriate. Further, The Institution reserves the right, where appropriate in its sole discretion to terminate employees at any time without cause or notice and without prior discipline.

COMPENSATION

Pay Period & Time

Federal and state laws require us to keep a complete and accurate record of time worked by our Employees. We currently use an electronic record reporting software called Prestige to record time worked daily. All employees are responsible and required to use the automated time clock to clock in and out when beginning and ending their work day and are required to clock in and out when on meal periods or when leaving Upper Kutz Barber & Style College on non-institution business.

Our work week begins on Sunday and ends the following Saturday. The pay period is comprised of two consecutive work weeks and includes 10-11 work days. Pay is calculated Semi-monthly. Semimonthly payroll is paid twice a month, usually on the 15th and last days of the month. If one of these pay dates falls on a Monday or Sunday, the payroll is instead paid out on the preceding Saturday.

Pay Adjustments

All pay increases are based upon performance and job responsibilities. Your pay also may be adjusted downward. Salary decreases may take place when there is: job restructuring, job duty changes, job transfers, or adverse business economic conditions. Before any such adjustments are made, you will be notified in writing. There is not an automatic annual cost of living or salary adjustment to reflect current economic conditions.

If you believe that an improper deduction has been made, you should immediately report this information to your direct supervisor. Reports of improper deductions will be promptly

investigated. If it is determined that an improper deduction has occurred, you will be promptly reimbursed for any improper deduction made.

Overtime

The Institution complies with all applicable federal and state laws with regard to payment of overtime work. Employees are required to work overtime only when assigned. Any overtime you work must be authorized by Management, in advance. Working unauthorized overtime or refusal/unavailability to work overtime is subject to discipline including, but not limited to, termination.

Non-exempt employees will be paid time and one half the regular rate of pay for all hours worked over forty (40) in one work week. Any applicable state laws that require payment of daily overtime or overtime on weekends or days of rest will apply.

Performance Evaluation

On an annual basis you will receive an appraisal of your job performance. If in this appraisal you are given an evaluation sheet or other written document, you will be required to sign it. Your signature does not necessarily indicate that you agree with all the comments, but merely that you have had the opportunity to examine the evaluation and fully discuss the contents of it with your supervisor.

In addition to the annual reviews, informal counseling sessions may be conducted from time to time.

If you have not received a performance review within one year of employment or at the end of the subsequent calendar year, please contact your direct supervisor. Performance evaluations do not necessarily result in wage or salary adjustments.

Work Assignments

In addition to specific duties that may accompany an individual's job responsibilities, each job includes "other assigned duties." From time to time, you may be required to perform duties or tasks of a fellow employee who is absent or for a position that is temporarily vacant.

Mileage Reimbursement

The Institution will reimburse employees at the business standard mileage rate per IRS requirements for miles traveled by the employee in the employee's car while traveling to and returning from training, institution events, etc.

BENEFITS

All time off requests must be submitted and approved by your direct supervisor no later than two (2) weeks prior to the requested start of the leave period. Every effort will be made to honor the employee's request for time off as long as it does not interfere with the operational needs of The Institution. Vacations normally cannot be scheduled in increments greater than one (1) week at a time. If vacation requests are in conflict between two (2) or more employees, The Institution will determine vacation schedules based on factors such as job performance and function, seniority and The Institution's business needs.

Family, Medical & Pregnancy Leave

The Family and Medical Leave Act (FMLA) of 1993 allows you to take an unpaid Leave of Absence (LOA) for certain medical and family situations and be returned to the former position or one with similar pay, benefits, and status.

You can use FMLA at the following times:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for your child after birth, adoption, or state placement of a child with you or for foster care;
- To care for a “covered relation” (child, spouse, parent, parent-in-law, grandparent, person to whom you are related by blood, legal custody, or marriage, or person with whom you share or have shared within the last year a mutual residence and maintain a committed relationship) who has a serious health condition;
- If you are unable to perform your job because of a serious health condition.

Time Allowed for FMLA

- You may request an unpaid FMLA Leave of Absence to care for a family member with a serious medical condition for up to 16 weeks in a rolling 12-month period.
- If it is medically necessary, you may take the leave on an intermittent or reduced work hour schedule. However, intermittent leave may not be taken for the birth or adoption of a child. Intermittent leave can be granted in one hour increments.
- The total intermittent leave may not be more than 16 weeks of medical and/or family leave in a rolling 12-month period.

Requesting an FMLA Leave of Absence

- If you are planning on taking an LOA for a planned event, such as the birth or adoption of a child, or surgery, when possible you must give at least 30 days notice before taking leave and make an effort with your Leader to schedule the leave so as not to disrupt business operations.
- In most cases, final approval from the President must be given prior to your first day of FMLA.
- When out with an illness or injury, you must call your Leader at a minimum of every 30 days to let him or her know when you or your physician feels you will be able to return to work.

Process for requesting FMLA Leave of Absence

To request a Leave of Absence under the Family and Medical Leave Act, you must complete two necessary forms. Please see the School’s President to obtain the forms.

1. Complete the Request for Leave of Absence form and notify your Leader about the need to take a medical Leave of Absence. The form is forwarded to Total Rewards Department for final processing.
2. The Certification of Health Care Provider form must be completed by a qualified health care provider and submitted with your leave of absence form, or your leave may be delayed or denied. If the Certification of Health Care Provider form cannot be provided before taking leave, it must be sent as soon as possible.
 - In the case of adoption, or placement of a foster child, you will need to provide appropriate documentation (i.e. adoption decree or court order, etc.) to the President.
 - If you are ill, the Certification of Health Care Provider form must state that you are not able to perform your job duties and include an estimate of the amount of time you will require care.
 - If the leave is requested to care for a seriously ill child, spouse, parent, or parent-in-law, the Certification of Health Care Provider form must state that you are needed to care for the family member and include an estimate of the amount of time you will be needed to provide care. You will receive written notice with the status of your leave request.
