B. Withdrawal from the School

When a student officially or unofficially withdraws from their course of study and a withdrawal date and determination date have been determined, a refund calculation (R2T4) is performed.

C. Determination Date

The date of determination is defined as the date that the school determines when the student dropped. In the event student misses 14 consecutive days of school, a refund calculation (R2T4) will be performed on the 14th day. The withdrawal date will be the students' last day of physical attendance and the 14th day missed will be the date determined.

In the event a student does not return from a Leave of Absence on the scheduled date or if the student notifies the School that they will not be returning from Leave of Absence, a refund calculation (R2T4) will be performed on the earlier of the two dates. The withdrawal date will be the students' last day of physical attendance and either the scheduled return date or the date the student notifies the school they will not be returning, whichever date is earlier, will be the date determined.

D. Official Withdrawal

When a student officially withdraws from their course of study, the date determined will be the date that the student notifies Upper Kutz Barber & Style College. In the event we receive notification of termination via the U.S. Postal Service, the postmark date will serve as the date of determination.

E. Unofficial Withdrawal

If a student does not officially withdraw, Upper Kutz Barber & Style College will determine a withdrawal date and determination date and proceed with the Return to Title IV (R2T4) calculations set forth by the Department of Education. All refunds due to the Dept. of Education will be returned within 45 days from the date of determination of withdrawal. Unofficial withdrawals are determined through monitoring attendance at least every fourteen days.

Return of Unearned Title IV Funds

If a Title IV financial aid recipient withdraws from their course of study after beginning attendance, but prior to course completion, a calculation for return of Title IV funds will be completed based on the guidelines set out by the Department of Education and any applicable returns by the school shall be paid. Unearned funds must be returned to the Department of Education within 45 days from the date the institution determined that the student withdrew. The order in which Title IV funds are returned are as follows:

- b. Federal Direct Loan Program Subsidized
- c. Federal Direct Loan Program PLUS
- d. Federal Pell Grant
- e. Federal, State, private or institutional student financial aid programs

After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program. If the amount disbursed to the student is less than the amount the student earned and is eligible for, the student is eligible to receive a post-withdrawal disbursement of the earned aid that was not received. Any refunds due to the student will be made within 14 days.

G. Determination of Title IV Earned by the Student

Up through the 60% point in each payment period, a calculation is used to determine the amount of Title IV funds the student has earned at the time of withdrawal. After the 60% point in the payment period, a student has earned 100% of the Title IV funds.

GRADING SYSTEM

Test and Grades:

We can help you become a better student and a better hair designer. Throughout your training, you will take written and practical tests. These tests are designed to sum up the unit of learning you've just completed. A low grade, even a failing mark, doesn't mean you should give up. It tells you that you need to review the last few lessons. Your instructor(s) can help you by going over the test with you and make sure that you understand the ideas and techniques covered. You are also tested on barber laws, customer safety precautions, and MBBE Board Regulations.

Mock State Board Exams will be given at each level of progression, exactly as required by State Board. The tests will help you to prepare for the State Board Test and spotlight essentials of good shop/salon practices.

School instructors review the student's progress on a regular basis, and periodically give examinations. The minimum grade for assigned work is 70%. The following grade scale is used

for both theory and practical work:

A - (90%-100 %) - Excellent

B - (89%-80 %) - Good

C - (79%-70 %) - Satisfactory

F - (00%-69 %) - Unsatisfactory / Failing / Incomplete

SATISFACTORY ACADEMIC PROGRESS (SAP)

All Upper Kutz Barber & Style College students must maintain satisfactory academic progress (SAP) standards throughout their enrollment. Failure to do so can result in negative consequences to the student (see below).

General Counsel for Upper Kutz Barber & Style College reviews the SAP policy to ensure it meets all Federal requirements. The General Counsel notifies the Bursar, Financial Aid, and Student Services Departments if Upper Kutz Barber & Style College changes its policies.

Students who receive Federal Title IV financial aid must maintain SAP standards throughout their enrollment to maintain eligibility to receive Federal financial aid.

Upper Kutz Barber & Style College's SAP policy is consistently applied to all students within the same program of study, and is the same for all enrolled students, whether Title IV financial aid recipients or not. The policy is printed in this handbook to ensure all students understand it prior to their enrollment.

Evaluation Periods

Evaluations are conducted at the end of each payment period and will determine if the student has met the minimum requirements for SAP. SAP will be measured in evaluation increments according to hours (scheduled and completed) that coincide with payment periods. An increment cannot be longer than half the program or one academic year, whichever is less. All students will be evaluated and measured for SAP at the end of each increment (i.e., at the end of each payment period).

Students who meet the minimum cumulative qualitative and quantitative requirements are considered to be making SAP until the next scheduled evaluation. Upper Kutz Barber & Style College will notify students of any evaluation that impacts the student's eligibility for Federal student aid funds. Students may contact the Bursar or the Student Services Department at any time to obtain SAP evaluation results.

Students are evaluated for SAP at the end of their payment period lengths (measured in clock hours) as follows:

Programs	Academic Progress Evaluations
Barbering	450 900 1200 actual clocked hours (1500 Hour Program)
Instructor	450 900 actual clocked hours (1000 Hour Program)
Transfer Students	Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

To maintain SAP, students must meet all of the following requirements:

Qualitative Component (Academics): Upper Kutz Barber & Style College has adopted, implemented and follows the following grading scale for work performed by students:

A - (90%-100 %) - Excellent

B - (89%-80 %) - Good

C - (79%-70 %) - Satisfactory

F - (69%-0 %) - Unsatisfactory / Failing / Incomplete

Upper Kutz Barber & Style College assesses each student's knowledge of the program material through a series of tests, each corresponding with a unit of study. Most tests are in a multiple-choice format, but our curriculum allows for many means of testing. Practical skill is evaluated through instruction and observation on our clinic floor. Weekly assignments are handed in and examinations are given throughout the program. Make-up work may be performed with permission of the instructor.

Students must maintain a cumulative grade point average of 70 or above on module tests to be compliant with the qualitative component of SAP. This average is calculated with the grades from the module tests given in theory class. Each test is weighted equally. Any student whose cumulative grade point average is below 70 will not be deemed to be making SAP.

Quantitative Component (Attendance – Pace of Completion): Students are required to progress at a pace sufficient to ensure completion of their educational program within 150% of the published length* of the program. Failure to meet this requirement could result in termination of a student's enrollment. The timeframe is measured in cumulative clock hours completed (actual) divided by cumulative clock hours earned (scheduled) [see calculation below]. An approved LOA will extend the student's contracted program length by the same amount of time taken in the LOA.

***Note:** the barber program at Upper Kutz Barber & Style College has a published length based on a 30-hour per week schedule for each student.

Students are required to attend a minimum of 70% of the hours possible based on the applicable attendance schedule in order to be considered maintaining SAP. The following calculation is used to determine a student’s attendance percentage (i.e., pace of student’s progression through his/her program):

Cumulative Number of Actual Hours Completed

Cumulative Number of Scheduled Hours

At the end of each evaluation period, Upper Kutz Barber & Style College will determine if the student has maintained at least 70% cumulative attendance since the beginning of the program, which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

The Business Office monitors the quantitative component of SAP (i.e., the pace of students’ academic progress).

Maximum Timeframe

The maximum time (which does not exceed 150% of the program length) allowed for students to complete the program according to a 30-hour per week schedule at SAP is stated below:

PROGRAM	TOTAL HOURS	WEEKS	MAX SCHEUED HOURS	MAX WEEKS
Barbering	1500	50	2250	75
Instructor (1000)	1000	34	1500	51

Upper Kutz Barber & Style College will not disburse Title IV funds once it becomes mathematically impossible for the student to complete the program within the maximum timeframe using the 6-hour per day schedule. Thus, in some circumstances, the Financial Aid Warning status (see below) will be bypassed, and a student will lose eligibility for aid due to the impossibility of completing the program within the maximum timeframe.

An approved LOA will extend the student’s maximum timeframe by the same amount of time taken in the LOA.

The maximum time allowed for transfer students who need less than the full program requirements will be determined based on 70% of the scheduled hours. With regard to SAP, a student's transfer hours will be counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Upper Kutz Barber & Style College does not factor grades from transfer courses into the qualitative measure for SAP (i.e., cumulative grade point average).

Determination of Progress Status

Students meeting the minimum requirements for academics and pace of attendance at the evaluation point are considered to be making SAP until the next scheduled evaluation. Subject to being placed on Financial Aid Warning (see below), at the time of each evaluation, a student who has not achieved the required GPA, or who has not successfully completed his/her educational program at the required pace, is no longer eligible to receive assistance under the Title IV, HEA programs. Once on financial aid warning, a student deemed not to be maintaining SAP at the following evaluation point will lose eligibility for Federal financial aid.

Failure to Meet Satisfactory Academic Progress - Financial Aid/Academic Warning

A Financial Aid/Academic Warning (FA/AD Warning) is a school status assigned to a student who fails the first SAP evaluation or fails a subsequent SAP evaluation after meeting SAP. When a student fails to meet CGPA and/or ROP, SAP requirements, the student is placed on FA/AD Warning for the next evaluation period and the student is allowed Federal Student Aid eligibility for one semester/payment period. No SAP Appeal is required. If the student meets the SAP requirements at the end of the FA/AD Warning period, the student is removed from FA/AD Warning status. See the next section for the result if the student is not meeting SAP requirements at the end of the FA/AD Warning period.

Failure to Meet Satisfactory Academic Progress – SAP Suspension and Financial Aid/Academic Probation

Students who fail to meet SAP requirements at the end of a FA/AD Warning period are placed ON SAP Suspension. Students have five calendar days (excluding scheduled breaks and LOAs) to complete the appeal once the form is sent. An appeal is a process by which a student who is not meeting SAP standards petitions the school for reconsideration of Federal Student Aid eligibility and to remain in school. While a student is on suspension, they are not eligible for student any Federal Student Aid funds. Upper Kutz Barber & Style College will not disburse any Federal Student Aid funds. SAP Appeal is required.

Students are placed on Financial Aid Probation (FA/AD Probation status) after a successful appeal and agree to an Academic Plan. Students that are on probation are eligible to receive Federal Student Aid funds and remain in school for one additional payment period or the duration of the

Academic Plan. Students on an Academic Plan will be evaluated after each payment period if they meet SAP.

Students with an Academic Plan must be making progress toward the plan at the first scheduled SAP evaluation point included in the plan. The student must continue to meet the Academic Plan requirements. If the student is not meeting the Academic plan at any SAP evaluation point, the student will be re-evaluated to ensure the student can still meet SAP standards within the academic plan timeframe. At the end of the next evaluation point(s), Upper Kutz Barber & Style College will recalculate the student's SAP to determine if the student has met the Academic Plan requirements. If the student has not met the Academic Plan requirements, the student will be dismissed.

If the student's SAP appeal is denied, or does not submit and appeal, the student will be dismissed. Upon dismissal, a student will be unregistered from all enrolled courses, and the student will not be charged for the unregistered courses.

Failure to Meet Satisfactory Academic Progress – Maximum Time Frame (MTF) When Upper Kutz Barber & Style College determines that students cannot complete their program within MTF, the students will be dismissed. Students who are active and completers who are retaking courses to increase their CGPA are subject to the MTF calculations. Students who violate MTF prior to obtaining the required CGPA for graduation will also be dismissed. Students who are dismissed and want to return to the same program are advised by Student Finance they will not regain eligibility for Federal Student Aid assistance. For students who appeal to return to the same program and for whom the appeal is approved, the student will be placed in FA Suspension status. Therefore, these students will not be eligible for Federal Student Aid funds. **SAP Appeal is required to return after dismissal for MTF. Please see SAP Appeal Procedures section.**

SAP Appeal Procedures

No later than five calendar days from the end of the evaluation point, Upper Kutz Barber & Style College will perform SAP calculations and notifies students in writing who did not meet SAP standards. Each student who does not meet SAP standards receives written notification of the results of their SAP evaluation and if applicable SAP appeal decision including:

- Financial Aid/Academic Warning
- SAP Suspension
- Financial Aid/Academic Probation
- FA Suspension
- Dismissal from a program for failure to meet SAP requirements
- Approval or denial of SAP appeal
- Return to SAP Met status

SAP Appeal Procedures

All SAP appeals must be documented. Students must complete the SAP appeal form five calendar days (excluding scheduled breaks and LOAs) after receiving the SAP Appeal form. Students in a LOA school status at the time of an SAP evaluation point will be notified upon their return. If a student fails to submit a written appeal five calendar days (excluding scheduled breaks and LOAs) after receiving the SAP Appeal form, the student is dismissed from Upper Kutz Barber & Style College. SAP appeals must identify the circumstances that interfered with the student's academic success and describe how circumstances have changed to allow the student to meet SAP standards by the next SAP evaluation point.

Acceptable circumstances for an SAP appeal are:

1. The death of a relative of the student
2. The personal injury or illness of the student
3. Special circumstances as determined by Upper Kutz Barber & Style College

Appeal approval is determined on an individual basis. Each appeal is unique and assessed individually during the review process. Variables evaluated to inform appeal decisions include but are not limited to:

1. The completeness of the appeal
2. The student's accurate and comprehensive identification and description of:
 - a. the circumstances leading to his/her failure to meet SAP
 - b. the student's resolution to those circumstances
3. The validity of the circumstances leading to the appeal.
Appeal reasons are evaluated to determine the degree to which one or more "special" circumstances prevented the student from achieving SAP.
4. The student's CGPA, ROP, and/or MTF. These variables are assessed in order to ensure that appeals are approved only for students who have a reasonable chance of success long-term (i.e., graduation).
5. Prior SAP appeals made by the student

Upper Kutz Barber & Style College may consider information from other sources, such as prior appeals, when deciding to approve or deny a student's SAP appeal. Based on these data, a determination is made by the Director of Education (or designee) (Online) or Program Director/Campus Director regarding whether to grant a SAP appeal and allow the student to remain enrolled at Upper Kutz Barber & Style College. A student whose SAP appeal is denied is informed within five calendar days after the appeal decision, SAP status and their dismissal from Upper Kutz Barber & Style College. The reason for appeal denial is documented in the student's academic record two business days after the appeal decision.

Approved SAP appeals are approved pending the student's agreement to comply with the requirements outlined in his/her Academic Plan including the timelines for retaking previously failed coursework. Students whose appeals are pending their agreement to abide by the Academic Plan are informed of their approval status and resulting SAP status and are required to sign their Academic Plan three calendar days (excluding scheduled breaks and LOAs) after receipt. Failure to sign the Academic Plan in a timely manner will lead to dismissal. The appeal decision is final.

Violations of the Academic Plan typically lead to dismissal.

Reestablishing Aid

Students can reestablish eligibility only by taking action that brings the student into compliance with the qualitative and quantitative components of Upper Kutz Barber & Style College's SAP policy.

Interruptions, Re-entering Students, and Withdrawals

If enrollment is temporarily interrupted for an approved Leave of Absence (LOA), the student will return to School in the same progress status as prior to the LOA. Hours elapsed during a LOA will extend the student's contract period by the same number of days taken in the LOA and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the program and wish to re-enroll will return in the same SAP status as at the time of withdrawal. Students who re-enter Upper Kutz Barber & Style College will resume school in the same progress status as when they left.

Program Incompletes, English as a Second Language (ESL) Courses, Repetitions, and Noncredit Remedial Programs

Program incompletes, ESL, repetitions, and noncredit remedial courses do not apply to Upper Kutz Barber & Style College. Therefore, these items have no effect upon the School's SAP standards.

TRANSCRIPTS

Students may obtain a transcript from the school office upon request if he/she has fulfilled his/her financial obligation to the school. A complete set of the student's records, including a transcript of grades are kept in a permanent file. One copy of the transcript is provided to each student free of charge. Other records are available upon request; at fee of \$15 will be incurred. Any transcript or certificate of completion is withheld until all fees and charges have been met.

STATE EXAMINATION

After completion of training, students are required to take the state examination given by the MBBE. The examination is held each month; it consists of a test of practical skills and a written test on the theory of barbering. Students will be given mock state board examinations at Upper

Kutz Barber & Style College at different phases of training so they will be comfortable and familiar with the process.

RECORD KEEPING POLICIES AND REGULATIONS

Records are maintained which show the academic progress and the attendance of a student. These records indicate the student's grades, presence, absence, or tardiness for each scheduled class period. These records are maintained in such a manner as to make the student's information readily available to students and anyone authorized to inspect such records.

STUDENT SERVICES

Advising

Academic advising is available to all students as an aid to student motivation and as a means of maintaining the productive attitudes and professionalism. Each student may meet with an advisor and/or instructor on an as needed basis.

Individual advising is available for students with personal problems. You must schedule an appointment with the school counselor.

Childcare Services

Upper Kutz Barber & Style College does not provide childcare services. We can make recommendations to different childcare facilities to meet your needs. Payments and transportation would be the responsibility of the student.

Employment Assistance

Upper Kutz Barber & Style College offers placement assistance to all of its graduates. No school can guarantee employment for its graduates, but Upper Kutz Barber & Style College will assist its graduates in obtaining employment in the barbering profession. In most instances our graduates are successfully employed. As long as our graduates seek employment in the barbering profession, we will assist them.

Upon the successful completion of course, student may register for any employment assistance and the school will use its best efforts to successfully place student. However, student is advised that the law prohibits any school, college, etc. from guaranteeing placement as an inducement to enter said school.

Students also receive training in how to seek employment that includes how to write a resume, complete an employment application, and prepare for an effective interview. When our graduates succeed, we succeed. Job listings are available through the Administrative Office. Graduates can request job assistance throughout the existence of the school.

Students will prepare a portfolio throughout their training at the institution. The portfolio will include certificates of honor roll, pictures of hairstyles the student has completed on live clients and mannequins, certificates of advanced classes the institution provides, and will highlight outstanding achievement during the students' period of enrollment. The portfolio may be used during interviews that graduates will have with prospective shop/salon owners or managers.

A resume workshop is provided by the institution. The resume will be included in the portfolio that the student prepares. During the workshop, the institution concentrates on resume building, interview skills, professional image and the basic dos and don'ts of seeking employment in the industry.

Career Day is scheduled during the students' attendance in the program. Area shop/salon owners and managers are invited to career day. During this time, students are required to have their resume and portfolio completed. The shop/salon owners discuss their shop/salon, the benefits offered, as well as compensation. Students are invited to meet with shop/salon owners to get additional information about employment. It is the goal of the institution to have all graduates successfully placed prior to graduation.

Field Trips

Throughout the program, students will be scheduled to take field trips to hair supply stores, hair shows, and shops/salons. Field Trips are incorporated into the lesson plans of the institution and they are used to educate students in marketing, trends, and get students and staff involved in the community. Student participation in field trips is based on satisfactory performance in the program.

Housing

Upper Kutz Barber & Style College does not have on campus housing. Apartment housing is available near the school facility. The school office will gladly refer student to an agency for assistance.
